GENERAL [illegible] BRANCH
14 DEC. 1935

SIR,

Repairs to the Sivaganga Mutt building in Chamarajpet, Bangalore City.

I have the honor to forward herewith an estimate for Rs 2,518-8-0 prepared by the office Sub-overseer for repairing the above building and for erecting a compound wall thereto. The report accompanying the estimate explains the scope and extent of the proposed repairs.

2. I visited the Pathasala on Friday the 29th November 1935 and found that the building is in a shocking state of disrepair. The Pathasala authorities have been repeatedly urging for repairs. The premises not being enclosed with a compound wall, the building is exposed on all sides and it is not possible to rear any plants within the compound for want of protection. I am of opinion that in the interests of the building itself the repairs and the compound wall should be undertaken without further postponement. I consulted the Agent of the Mutt and he has also agreed that the needful repairs may be got executed at the cost of the Mutt. I recommend therefore that the accompanying estimate for Rs 2,518-8-0 may be sanctioned, the work being executed under my supervision.

3. As regards the source to meet the cost, I beg to point out that certain lands in the khate of the Mutt in the Hutlu village were acquired for the reservoir at Thippasondanahalli and out of the compensation awarded, a sum of Rs 2,900/- has been invested in Bangalore 4% Loan Bonds. As it is not necessary to acquire fresh lands in lieu of those brought under submersion, I recommend that the cost of the

present estimate may be met from the above source, loan bonds to the extent necessary being sold at the current market rate. I mak this proposal because the Putt is always running with a debit cash balance.

4. I solicit the favour of early orders in the matter.

I have the honor to be

Sir,

Your most obedient serva

for Kuzrai Commissioner.
